

The Lost Notebooks of Loren Eiseley

This indispensable collection is filled with marvelous autobiographical glimpses of Loren Eiseley at different points in his life—as a young, inquisitive man during the Depression, as an astute archaeologist, as a blossoming writer, and lastly, as a world-renowned observer and essayist. Also included are poems, short stories, an array of Eiseleys absorbing observations on the natural world, and his always startling reflections on the nature and future of humankind and the universe.
