

18 Holes with Teddy Greenstein: Teeing Up with Big Hitters, Hall of Famers and Legendary Talkers

18 Holes with Teddy Greenstein is a collection of articles from Greenstein's Chicago Tribune column detailing his time golfing with and interviewing various sports coaches, broadcasters, and players—some more experienced than others in the game of golf. Greenstein has played with a wide number of sports influencers, both retired and active: members of the Bears, Bulls, and Blackhawks, as well as Heisman Trophy winners, hall of famers, and course designers. Greenstein includes the interviewees' handicap, final score, and golf philosophy, while his light, conversational style makes for articles that are both humorous and informative. Greenstein refers to his 18 holes with... column as journalism's greatest scam, as it allows him to tee off with some of his greatest heroes but it also allows him to share their stories. 18 Holes with Teddy Greenstein gives readers a glimpse at sports celebrities when they are removed from their comfort zones and placed on the fairway. This collection, from a seasoned Chicago Tribune journalist, is perfect for all fans of golf from casual to fanatic and sports fans in general.
