

# How I Trade My Systems: Step By Step (Make A Fortune Trading Stocks And Options Book 7)

So You Want To Know Exactly How I Trade My Systems. My Ebook Will Show You How! Hi, my name is Jim Hansen and I have traded stocks and options for over 16 years. I also am a trading system developer. Currently I have 8 of my most profitable systems listed on Amazon / Kindle Direct Publishing. As you can imagine, I have received thousands of emails over my career from customers. And one of the most popular requests was that I write an ebook that explains exactly how I trade. My customers wanted to know what systems I trade and exactly how I trade them. Well, I answered over and over that I trade all of my systems and I follow the simple rules contained in each one. But my customers wanted more information about exactly what steps I go through as I find trades, enter positions, and take profits. So I wrote, How I Trade My Systems. What is in this ebook? My ebook is divided into four parts. Part 1 answers three questions I have received countless times. Question #1: Im thinking about buying a trading system. What should I look for? Question #2: Should I buy or create my own trading system? Question #3: What is trading system optimization?, And should I try to improve a trading system I bought? Part 2 presents one of my best trading systems, Power Indicators!, as an example of a complete and profitable trading system. In Part 3 I list the specific step-by-step method I use with ALL my trading systems. I leave nothing out! Finally, Part 4 wraps things up by addressing some very important trading psychology topics. How will you benefit from reading this ebook? Whether you are a new to trading or an experienced trader, you will benefit from reading this ebook. New traders will learn how an experienced and successful trader goes about making money with trading systems. This information will help you jump years ahead in your development as a trader.

Experienced traders can use this valuable information as a reality check and a sounding board to examine their own trading methods. Who doesn't like to compare notes? Another benefit of learning my step-by-step method is that it works with ALL my systems and with any other complete trading system. Not least of all you will get my Power Indicators! trading system. So are you ready to learn how I trade? Simply download How I Trade My Systems right now! When you are finished reading it you will want to check out all 8 of my trading systems listed right here on Amazon. The framework you will learn in this ebook can be applied to ALL my systems! Take emotions and guesswork out of trading and download How I Trade My Systems right now!
