

Confronting the Queen of Heaven

In this revised and updated edition, Dr. C. Peter Wagner takes a look at what is perhaps one of the most powerful spirits in Satans hierarchy: the Queen of Heaven. Throughout history this high-ranking principality has kept countless multitudes of lost souls blinded to the gospel. This book exposes her schemes by showing how the Queen of Heaven has accomplished her goals in the past, and how she is manifesting in the world today to keep untold numbers in spiritual darkness. Readers of this book will discover how God is mounting an assault against this dark force to see the captives set free! This book builds a foundation that is expanded upon in its sequel The Queens Domain: Advancing Gods Kingdom in the 40/70 Window.
