

A-Rod: The Many Lives of Alex Rodriguez

Diligent, detailed, and overpowering. This is not a book of conjecture: Its one of bootstrap journalism. New York magazine The New York Times calls sports journalist Selena Roberts's blistering biography, A-Rod: The Many Lives of Alex Rodriguez, Important devastating merciless. A columnist for Sports Illustrated, Roberts pulls no punches in her tough and brilliant New York Times bestseller, an exploration of the multi-million-dollar Yankees slugger's checkered life and career. A-Rod is an eye-opening, unputdownable look at one of the greatest and most flawed players in today's game.
