

Pedro & Lily: New York Spankings Book Seven

When artist Lily hears how her friends boyfriend disciplines her with old-fashioned, over the knee spankings, she is intrigued. Although she wants to keep her husband Pedro happy, he gets annoyed when she doesnt take proper care of herself. Maybe a spanking would help. But Pedro is horrified at the idea of hitting any woman, especially his beloved wife. Will he be able to give Lily the discipline she needs, or will her scatterbrained ways put their relationship at risk? Although characters overlap, each book in the New York Spankings series contains the stand-alone story of one couples adventure with love and spankings, both fun and disciplinary. To date, the books in the New York Spankings Series are: Hank & Kate: New York Spankings Book One David & Celia: New York Spankings Book Two Jason & Eva: New York Spankings Book Three Dan & Anna: New York Spankings Book Four John & Athena: New York Spankings Book Five James & Oksana: New York Spankings Book Six Pedro & Lily: New York Spankings Book Seven Max & Kira: New York Spankings Book Eight This book contains adult material, including the consensual spanking of an adult woman.
