

The Power of Positive Drinking

Its always too early to quit. Norman Vincent Peale, author, The Power of Positive Thinking. Frankly I couldnt agree more, Norman. Ive been barking for a large one since noon. Cleo Rocos, author, The Power of Positive Drinking. THE POWER OF POSITIVE DRINKING isnt a guide on how to get drunk. It is a guide to how to drink well and thoroughly enjoy yourself. Drinking has a bad reputation in some quarters. But thats largely because we dont drink properly, as we have not yet been initiated in the art of drinking well. Most of us know plenty about healthy eating, but next to nothing about healthy drinking. This is Cleo Rocos master class on how to imbibe successfully, on how to reach that delicious level of intoxication where you and your fellow drinkers blossom into the favourite version of yourselves and stay there. From Rocos we learn how to ensure that every drinking occasion snowballs into a glorious and triumphant event. Inside these pages lie the secrets of alcohol. The finest hints and tips on stylish drinking gleaned from seasoned and successful drinkers around the globe; failsafe recipes for some of the worlds greatest snifters - martini recipes, margarita recipes, mojitos and cosmopolitans - along with a few of Cleos own specialities, guaranteed to avoid that awful hangover. Cleos 12 lessons on spirits and other alcoholic tipples includes: Vloddy Marvellous Things about Vodka; No Hangover Cocktails; Skinny Low-Calorie Cocktails; Champagne; Wine; How to Win with Gin; Tuck into Tequila; Avoid Getting Frisky on Whisky; Rum; What to Absolutely Avoid; Essential Hangover Tips; Prehab: The Rehab-Prevention Rules.
