

CTRM/ETRM Software Markets 2014: A Year in Review

Commodity Technology Advisory is the premier analyst and consulting firm following commodity trading and risk management markets and technologies. The two managing partners, with more than sixty years of experience between them, write blog articles on the CTRMCenter (www.ctrmcenter.com) and also publish a variety of research and white papers. This book is a selection of some of the more important blog and newsletter articles written by Commodity Technology Advisory, edited and presented as a review of the E/CTRM software markets for 2014. The articles are presented in date order and were all originally published on the CTRMCenter.
