

Curious Chronicles from Indochina

Curious Chronicles from Indochina follows the trials and adventures of Gavin Anderson as he continues his exploration of South East Asia into Thailand, Laos, Cambodia and Vietnam. Indochina offers the curious traveller an abundance of mystifying history and cultural peculiarities to decipher which Anderson attempts with earnest whilst portraying the charm and personality of the places he discovers. With occasionally-able assistance from the many intriguing and eccentric folk he meets on the way Anderson strives to master the tips and tricks of happy-travelling through South East Asia which he shares with his recognisable wit and irresistible engaging style.
