

Documentary History of the State of Maine, Vol. 12 (Classic Reprint)

Documentary Series) is the seventh volume of the manuscript documents which I have collected from American and European archives. My design has been to continue the publication of these documents to the time of the separation of the State from Massachusetts; but it is doubtful if I shall be able to do so. Should I not complete the task which I have desired to accomplish, it is my hope that someone may think it worthy of the labor required to finish it. JAMES PHINNEY BAXTER.
