

Soccer Stars

The stars of the most popular sport in the world are featured in this fun guide to soccer's prime athletes that includes personal information to get to know the talent behind the sport as well as important stats and facts. Going above and beyond the player biographies offered through the International Federation of Association Football (FIFA), the book details the brightest stars from around the globe through entertaining biographies, fun trivia, and thrilling action photography. Readers from any team allegiance will enjoy the information presented.
