

## Module 3: Communication in a Virtual Organization (Managerial Communication)

Communication in a Virtual Organization by Sandra D. Collins, University of Notre Dame: This module explores Communication in a Virtual Organization. The conceptual framework brought to the discussion will help readers understand how time and distance compression have altered work habits and collaboration. With the help of corporate communication executive and consultant, Sixtus J. Oeschle, Professor Collins includes exciting, current examples of global companies and local groups that illustrate the ways in which our work and lives have permanently changed.
