

## Fat Tire Rider: Everyones Guide to Mountain Biking

This comprehensive guide to one of Americas fastest growing sports covers the basics of mountain biking and provides inside information that will help you get more fun and satisfaction from your riding. Whatever your level of interest, youll find useful advice in the sections on equipment, riding skills and techniques, health, training, racing, and touring. No other book covers such a range of off-road information. Theres trail etiquette...night riding...mountain bike polo...taking the kids along. The treatment is thorough, yet humorous, with many first person tips and anecdotes.
