

Gods Way To Have a Bully-Free Day!: Quick Skits for Childrens Ministry

God wants us to love each other, but it can be tough for kids to do that when others leave them out, call them names and ignore them. The skits in Gods Way To Have a Bully-Free Day! focus on such challenges and show children how to handle everyday problems in a Godly way. Characters rethink their ways and make changes that demonstrate their love for others. Each skit is supplemented with verses from the Easy-to-Read Bible. These skits help kids: notice the physical signs that they have hurt another's feelings realize how negative behavior can impact friendships see the benefits of being nice, friendly and positive welcome others into a friendship rather than viewing others as a threat deal with a person who is bullying be sensitive to the circumstances of others.
