Blood Line is a high-voltage spy thriller that redefines the Granger Spy Novel series. It introduces a loving family with lethal issues caught in the crosshairs of global arms dealers. When a simple home invasion turns out to be not so simple, Ron Granger must put aside his quiet rural life and return to the Central Intelligence Agency. Aided by his brilliant wife, Valerie, and resourceful teen daughter, Leecy, Ron must quickly decide who to believe among the calculating opportunists, shrewd criminals, and power-hungry rival agencies racing to possess the technology that will change modern warfare forever.
