

Daddys Handbook To Raising His Little Girl: Daddys Handbook

Daddys Handbook to Raising His Little Girl was written to help fathers cope and understand the importance of having and maintaining a connection with their daughters. This inspiring and thought provoking book provides fathers with practical ways to develop a meaningful relationship and strong bond, throughout his daughters life. The insightful gems of wisdom that the author shares, provides fathers with invaluable lessons that can be echoed throughout his daughters life. Clara reveals in-depth details of the importance of a fathers presence in his daughters world; and more importantly how he shapes the woman she will become in adulthood. This quick read will both encourage and empower Dads, providing them with insight from a womans point of view. You will learn not only how to relate, but to really understand the thoughts and needs of your little girl. Daddys Handbook to Raising His Little Girl can be used for all ages... it is never too late.
