

Instant Persuasion

Instant Persuasion is a unique communication book that offers a creative way to reduce stress, resolve conflict, and enrich our relationships with family members, friends, and coworkers. Laurie Puhn cleverly translates complex mediation skills into simple, practical communication rules that readers can easily apply to everyday situations in order to instantly persuade others to listen to, cooperate with, respect, and like them. The rules are revealed through real-life anecdotes that show readers how saying the right words at the right time can convince others to give them what they want. Some Instant Persuasion rules are: - find factual solutions- be a problem solver- disagree without being disagreeable- beware of uncomplimentary compliments- avoid superficial offers Puhn presents readers with a script that will allow them to smoothly implement these rules in everyday life and change the way they communicate forever. Instant Persuasion is an amazing tool that has the power to transform friendships, marriages, and careers.
