

The Best Science Writing Online 2012 (Open Laboratory)

Showcasing more than fifty of the most provocative, original, and significant online essays from 2011, The Best Science Writing Online 2012 will change the way we think about science from fluids to fungi, poisons to pirates. Featuring noted authors and journalists as well as the brightest up-and-comers writing today, this collection provides a comprehensive look at the fascinating, innovative, and trailblazing scientific achievements and breakthroughs of 2011, along with elegant and thoughtprovoking new takes on favorite topics. This is the sixth anthology of online essays edited by Bora Zivkovic, the blogs editor at Scientific American, and with each new edition, Zivkovic expands his fan base and creates a surge of excitement about upcoming compilations. Now everyone's favorite collection will reach new horizons and even more readers. Guest-edited and with an introduction by the renowned science author and blogger Jennifer Ouellette, The Best Science Writing Online 2012 marries cutting-edge science with dynamic writing that will inspire us all.
