

# Magic Words: The Tale of a Jewish Boy-Interpreter, the Worlds Most Estimable Magician, a Murderous Harlot, and Americas Greatest Indian Chief

In a riveting novel of love and adventure, young Julius Meyer comes to the New World to find himself acting as translator for the famed Indian chief, Standing Bear. Young Jewish immigrant Julius comes of age surrounded by the wild world of 1867 Nebraska. He befriends the mysterious Prophet John, who saves his life when the two are captured by the Ponca Indian tribe. Living as a slave, Julius meets the noble chief Standing Bear and his young daughter, Prairie Flower, with whom he falls in love. Becoming the tribes interpreter - its speaker - his life seems safe and settled. But Julius has reckoned without the arrival of his older cousin, Alexander - who, as the Great Herrmann, is the most famous young magician in America. Nor does he suspect the ultimate consequences of Alexs affair with Lady-Jane Little Feather, a glamorous - and murderous - prostitute destined to become the most scandalous woman on two continents. Filled with adventure, humor, and colorful characters, Magic Words is a riveting adventure about the nature of prejudice, the horror of genocide, and a courageous young man who straddles two worlds to fight for love and freedom.
