

## Michel Thomas Method™ Spanish For Beginners, 10-CD Program (Michel Thomas Series)

Experience the language learning method millions around the world have come to trust. Unlike most language learning systems, the Michel Thomas Method enables you to naturally and intuitively develop the building blocks for language comprehension. You learn at your own speed--listening, speaking, and thinking through the language. Guided by language teacher extraordinaire Michel Thomas, each CD takes you through an interactive lesson with two other learners. By the end of the program, you will have the ability to put together words and phrases together naturally and make your own sentences. You will have basic vocabulary, conversation skills, and the confidence to speak in Spanish.
