

Narcotics Anonymous

Narcotics Anonymous: White Booklet
One of NAs earliest publications became the heart of N.A. meetings and the basis for all subsequent N.A. literature. This booklet contains the twelve steps or principles to recovery, the twelve traditions of NA, and an inspiring selection of personal stories written by men and women who are recovering from an addiction to drugs. Recommended for anyone embarking on the road to recovery, and for all who want to help themselves or someone else stay clean.
