

Passing into Light

The characters that readers loved in *Riding Through Shadows* are at it again! Mother and Ma Dear, Tony Taylor, and others are back to make readers laugh and cry. Readers of this sequel will find troubling mysteries resolved: Does Sheri exist outside of Shirley Ferris imagination? What was in Shirley's letter and who was it from? This story, told through the life of a grieving single parent, shows how we can recover from past failures and find our way to sustained love and joy.
