

The Patriots

Inspired by certain true events, The Patriots Part I explores the origins of Joeys humble beginnings as a child, his blossoming football career and the growing torment within him. Football has always been a huge part of Joeys life, but will the mounting pressures of family expectations, the hopes of winning a State Championship, and a tragic event that almost ends his NFL dreams stop him from overcoming his fears? Joey has unknowingly begun the fight of his life: to save himself, his family, but most importantly his soul.
