

Benny Adams Discovers The Secret Currency

This book is about the remarkable journey of Sports Manager Benny Adams. Although fiction based it contains experiences and lessons that are real and relevant to most people today. This is not a book about motivation theory it is practical in all respects and offers a step of step analysis of Bennys journey from his humbling through to his light bulb moments that set him on the path to a fulfilling and satisfied life. There are no quotes of motivation just the get down and do it practical methods that will get you on your lifes correct path.
