

Ten Paychecks: A Complete Guide to Setting Up Multiple Incomes Streams Using the Internet and Free and Low Cost Tools

If you have ever dreamed of building up one or more streams of income where you do the work once and get paid every month, in many cases for the rest of your life, then Ten Paychecks is the book you need to read. Inside you will learn just how easy and inexpensive it is to use existing resources you probably already access to start pulling in regular income from a variety of websites that are dedicated to putting money into your bank account. You'll learn a simple step-by-step process you can use repeatedly to identify a niche to work in, how to quickly establish yourself as an expert in that niche with a ready-made fan base, and then start driving your new found fans to products and services they want to buy, with you collecting a commission on each sale.
