

## Rough Diamonds: A Coachs Journey

Football coach Tommy Reamon has crafted a unique ability among high school coaches, the ability to hone in on natural talent on the football field and to forge a personal connection with the young athletes themselves. His stories and memories of coaching the promising, would-be professional players as well as those just there for the love of the game, are shared in this heartfelt memoir. During his many years of coaching at schools such as in Newport News, Virginia, Coach Reamon has helped guide students to the National Football League, including Kwamie Lassiter, Aaron Brooks, and Michael Vick. His inspiring relationship with the students and the struggles that come with bringing out the best in another person will remind readers of the heart behind the physical challenges of football.
