

September Sun

Romantic complications at the tennis club were not on Michael Blooms radar. His plate was already filled with the emotional upheaval that comes with sharing a home with two adult children and watching an old friend battle cancer. Nevertheless, he is caught in the cross-hares of two attractive women; one, a serial seductress and the other, an eye-catching beauty with a haunting past. . Suddenly, like his daughter Rachel, Michael is thrust into the dating scene with all its perils and humiliations. Enticed by the powerful aphrodisiac of sex, Michael learns to his chagrin that Murphys Law is always in play.
