

Taking Hold Of Eternal Life: Odyssey of an Ex-Atheist

The most important event of my life occurred during July, 1969, when as an atheist I had an abrupt and totally unexpected encounter with the living God of the universe. Believing, I was thus born again from spiritual death and became by Gods grace a new creation. Since then, I have been involved in a number of ministries, traveled much, lived in various countries. My life has been exciting, though not without sadness and tragedy. When I encountered God, I was a cynical, hard-bitten, sarcastic sophist. By His wonderful grace, He has made me (a hopefully productive) member of His kingdom. My consuming interest is to introduce others to the God I know. For this is eternal life... Taking Hold Of Eternal Life (1 Timothy 6:12) is what I did after God confronted me on the weekend of my 34th birthday, July 27, 1969. This book tells what led up to that momentous event and then what followed as God in His mercy delivered me from atheism and immediately plunged me into Biblical revelation and ministerial involvement in His kingdom. As the account of my life walking hand-in-hand with Him shows in the pages of this book, God used me in each of the five callings listed in Ephesians 4:11. Over the course of forty-five years God has had me involved in numerous churches & various ministries which has resulted in the comments and articles that are also contained in this book. I pray that God uses this book to bless you greatly!
