

## Always Together Always Alone

Based on her doctoral survey of nearly 300 women married to evangelical pastors, Anne Brackin documents the loneliness and depression they often experience. By drawing on her own experience and using interviews with other clergy wives, Brackin offers heartfelt advice on how to cope with challenges that are unique to ministerial families. This book will appeal to ministers wives and those who love them. Em Griffin, Professor Emeritus, Wheaton College; Author of *The Mind Changers* There are many books written to help preachers, but very few to help preachers wives. Their task is almost insurmountable-but here, in Anne Brackin's superb book, is sympathetic, engaging, and scholarly food for the preachers spouse. Every preachers wife should read this book! Every Christian will find encouragement and direction in Anne's lonely and often overwhelming journey.

Joseph M. Webb, Dean, School of Communication and Media, Palm Beach Atlantic University; Author of *Comedy and Preaching*, *Greek for Preachers*, and *Preaching Without Notes*
