

The Daily Telegraph Easy Guide to Acol Bridge (Daily Telegraph Easy Guides)

Acol bidding is the most popular system in the UK and is used by the majority of players throughout the country. Because it uses a weak no-trump opening and a minimum of conventions, it's a great way for beginners to learn how to bid with confidence. Partnerships that use Acol will never have misunderstandings in the auction, regardless of the level of experience of either or both players. Now, thanks to the Daily Telegraph, American bridge enthusiasts will get the perfect introduction to this logical, easy-to-understand method, ideal for newcomers to the game as well as all social players.
