

Guide To Alternative Asset Investing For The Small Investor

If you are a retail investor who wishes to invest and diversify outside of paper based assets (stocks, bonds, cash, etc) and into tangible asset classes this small guide is for you. In this guide, you can learn how to invest internationally into a variety of assets such as farmland & agriculture, precious metals, forestry, and fine wines. This pocket guide is excellent for someone who wants to begin investing into alternative assets for wealth preservation and to generate cash flow outside the stock and bond markets
