

The Knights of Zion

LDS author Jeffrey Gamett is promoting his new official website by re-releasing his first novel in paperback. No longer just an ebook, *The Knights of Zion* is now available in print. Unlike Jeffrey's other books (which are intended for a Mormon audience) *The Knights of Zion* is for everyone. It's a mix between *Lord of the Rings* action and *Harry Potter* magic; an epic fantasy filled with love, mystery, and faith. It tells the story of David; a 12-year-old apprentice learning the ways of medicine from his master. But when tragedy strikes, David is thrust into a world of magic and monsters. To survive the danger, he must befriend a rogue team of warriors and become the wizard his enemies believe him to be.
