

The Liturgy of Motherhood: Moments of Grace

The Liturgy of Motherhood: Moments of Grace is a unique invitation to mothers and parents to pause and reflect on the rhythms, cycles, symbols, and rituals that define who they are, both as caregivers and members of a larger community. Using the liturgical year as her framework, Kathleen Finley explores the spirituality of many kinds of mothers and the ways that various aspects of the Christian tradition—from the Advent wreath to the Beatitudes, the Paschal mystery of Christ's death and Resurrection to the daily celebration of the Sacraments—shed their light on the daily and unique holiness of motherhood. Both the actions of motherhood and the rituals of the liturgy reaffirm in our lives the communion, connection, and timeless presence in any relationship of love. In each chapter, Finley connects the themes and practices of the season to particular aspects of a mother's spirituality, a spirituality that is communal, incarnational, nurturing, patient, among other qualities. She offers to her readers the voices of real women recounting their own experiences of motherhood alongside classic and contemporary Christian models. Including passages from Scripture, questions for reflection, and suggestions for further resources, *The Liturgy of Motherhood* provides a way for mothers—and for all of us—to further develop the daily richness of our relationships as a domestic church within the Christian tradition.
