

Abused Love

I believe that this book can be used as a tool for organizations, churches, schools, police and sheriffs departments, youth groups, business owners and healthcare providers.

_____RoseSharon Stripling This book will enlighten and inform you concerning the issues of abuse and domestic violence. Abuse can happen to anyone the rich and the poor. Abuse doesn't discriminate against religion, ethnic groups, young or old. It doesn't matter what side of the tracks that you were brought up on. Abuse is like an infectious disease spreading like a wild fire. Statistics say that a woman is sexually assaulted and raped every minute this is alarming. And that 1 out of 3-4 young girls will be sexually assaulted by the time that she is 18 years of age. Abuse has become an epidemic all over the world. You may have just turned your head the other way, but that is somebody's daughter, son, niece, nephew, and grandchild. This one really may come as a shocker abuse and domestic violence even happens in the churches yes that's right. This book is based on the author's life story of the severe abuse that she suffered as a child and as an adult and how she almost was successful at taking her own life feeling worthless, hopeless and caught up in a vicious cycle of abuse. You would be surprised at the deep dark secrets that go on in a family, even in a church and community. There was an old saying what happens in the house stays in the house. Abused victims who have experienced domestic violence may not ever tell you that they have been violently abused. This powerful book will give you some of the signs to look for. No one deserves to be abused it doesn't matter if it's physical, emotional, psychological, verbal, or mental. Please remember abuse and domestic violence can lead to murder. Below are a few questions you may ask yourself, the answers are in this book.

What is the mind set of an abused woman?
If someone is being abused would I know what signs to look for? How can I tell if someone that I care about is being abused? What are the side effects of abuse and domestic violence? How can
