

WANTREPRENEUR: DO YOU HAVE WHAT IT TAKES TO BE AN ENTREPRENEUR?

WANTREPRENEUR - DO YOU HAVE WHAT IT TAKES TO BE AN ENTREPRENEUR? Something is wrong with work as we know it. There are too many disengaged employees...too many underemployed / unemployed who are no longer being tracked... Many of those affected feel trapped without a way out. Mark throws a lifeline with a process to begin to determine if the way out is to do something entrepreneurial. He identifies a simple concept the E-BAND and helps the reader understand that entrepreneurship is a fairly broad band... The opportunity people who might be a wantpreneur is to begin to zero in as to whether or not they fit on the e-band and where they may best fit. For those whom have already gone down that entrepreneurial road and are finding themselves challenged by this transition, Mark provides insight as to why the challenge may exist. A worthwhile read.
