

Islamic Banking and Finance: Introduction to Islamic Banking and Finance and The Islamic Banking and Finance Workbook, 2 Volume Set (The Wiley Finance Series)

Islamic finance is the fastest growing sector within the financial market place, a growth rate which has not been matched by the vast need for educational and training publications. This set brings together two leading resources for Islamic banking and finance: An Introduction to Islamic Banking and Finance, and The Islamic Banking and Finance Workbook. The set provides coverage of a range of key concepts of Islamic finance, and tests readers understanding of the industry, coupled with a purposefully designed workbook featuring questions and answers, chapter summaries and learning objectives, enabling readers to test their understanding of the main principles of Islamic finance. 2VS Contents: Introduction to Islamic Banking and Finance Islamic Banking and Finance Workbook
